

Scores

Criteria	Score / 20
Completeness	0
Accuracy	0
Clarity	0
Structure	0

Strengths

None.

Weaknesses

- Submission is unrelated to the assignment topic
- Lack of relevant mathematical content
- Failure to address the specific exercises

Missing Requirements

- Submission is unrelated to the requirements
- No attempt to solve the interpolation and approximation problems
- No polynomials or mathematical expressions provided

Final Feedback

Please submit the correct work that addresses the given exercises and requirements.

This pre-feedback is auto-generated. Please review before final grading.
