

Scores

Criteria	Score / 20
Completeness	0
Accuracy	0
Clarity	0
Structure	0

Strengths

None.

Weaknesses

- The student work is unrelated to the assignment topic

Missing Requirements

- Submission is unrelated to the requirements
- Lack of relevance to interpolation polynomiale
- No attempt to solve the given exercises

Final Feedback

The student work does not address the assignment topic. Please submit the correct work that solves the given exercises related to interpolation polynomiale.

This pre-feedback is auto-generated. Please review before final grading.
